## **Winona CEO Steven L. Blue Receives Quilly® Award by the National Academy of Best-Selling Authors®**

*The award commemorates Blue's best-seller status for his latest book, Mastering the Art of Success*

**WINONA, MN** – Steven L. Blue, best-selling author, business transformation expert, and CEO of Winona-based rail safety product manufacturer Miller Ingenuity, received a Quilly® Award by the National Academy of Best-Selling Authors® to commemorate his achievement of being named to a nationally recognized Best-Seller list.

The Quilly® Award was presented to Blue at the Academy's Annual Golden Gala™ in Hollywood, CA to recognize the achievement of his latest book, *Mastering the Art of Success*, reaching multiple Amazon best-seller lists.

*Mastering the Art of Success*, co-authored by legendary best-selling author of the Chicken Soup for the Soul book series Jack Canfield, [launched this July on Amazon](#) and features a select group of experts and professionals sharing their secrets and methods of success.

"I am extremely honored to receive this reward," said Blue, "And I would like to thank the academy for recognizing the efforts and successes of the author community who reach these important milestones."

Blue, an internationally recognized business transformation expert, is known for his enthralling keynote speeches, books, article contributions, and media appearances that have shown many c-suite executives how achieve their company's Innovational Potential™ through the transformation of company culture. This theme was supported in his chapter contribution to *Mastering the Art of Success*.

The book was released under the CelebrityPress® LLC imprint, a leading business book publisher that publishes books from Thoughtleaders® around the world.
